

# EXHIBIT A

6. I further determined the total amount *due* on all loans Waawaatesi extended to Alabama borrowers for a principal amount of \$1,500 or less from March 28, 2018 to June 3, 2022 is \$7,532,165.11.

7. I further determined that of the amount due, the total amount already *collected* by Waawaatesi from Alabama borrowers on loans with a principal amount of \$1,500 or less from March 28, 2018 to June 3, 2022 is \$4,030,663.78.

8. Based on Waawaatesi's annual lending amount to individuals in Alabama, if Waawaatesi were to be prevented from lending in Alabama any time in the future, Waawaatesi would lose revenue in excess of five million dollars.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Executed on: June 30<sup>th</sup>, 2022.
